Collection Highlights: Remembering Pearl Harbor
This year marks the 75th anniversary of the attack on Pearl Harbor. HMM’s detailed model of the USS Arizona commemorates the catastrophic events of December 7, 1941, and America’s entry into World War II.

The U.S. Navy and Park Service dedicated the USS Arizona memorial in 1962 and the site sees close to 2,000,000 visitors a year. Today the USS Arizona has become the symbol for the attack on Pearl Harbor and the whole Pacific War.

Please consider making an end-of-year gift to HMM and help us on our voyage to keep Houston’s maritime heritage alive! There are many ways that you can give to HMM:
